# INVITATION

Dear Friends

Greetings from CTSI

On behalf of the organizing committee, I cordially invite you to be a part of the Innovation conclave, 22 .., for innovating new tomorrow, organized by CTSI, scheduled to be held on November 17, 2022, at Jamia Hamdard, New Delhi.

I believe that the conclave will provide an excellent and exceptional platform that will enable the students to showcase their ideas and present them to the experts in the field. Talented innovators, wanting to solve existing problems using new approaches, from across the country will be participating to exchange ideas with each other and the world. The conclave provides an opportunity to debate global issues and catalyze the students to take on new challenges, and build strong new friendships that span across the globe. The event will incorporate extensive discussions and presentations that will help the delegates to develop networks and stimulate them to transform their ideas into actions.

Registration for the event has been opened from 20th September, 2022. The deadline for registration will be 20th October. However, you may register in time and well before the deadline to avoid any inconvenience. Registration will only be done through the link provided. For queries regarding registration and security concerns, feel free to email us. We look forward to an intellectually stimulating and enjoyable conclave, and we hope you do too.

The host team of Jamia Hamdard is trying its best to make this experience unparalleled and enriching for you. Thank you for your support, and we hope you will join us soon.

Sincerely yours,

Prof. Mymoona Akhtar  
Director CTSI

*Centre for Teaching Support and Innovations  
Jamia Hamdard, New Delhi*

## ABOUT JAMIA HAMDARD

Jamia Hamdard provides international quality higher education and undertakes cutting-edge research in the fields of natural sciences, social sciences, and technology, particularly promoting the study of modern and traditional medicine systems, encompassing a holistic and integrative approach to healthcare and meeting societal education needs of all Indian communities. Established in 1989, Its accreditation status is matched by its ranking in the National Institutional Framework Ranking (NIRF). It has the distinction of being ranked No. 1 in the 'Pharmacy' category for four consecutive cycles (NIRF2019-2022). Not only NIRF but for the last many years, Jamia Hamdard has also been ranked by international rankings such as QS and THE. The Report of the Committee for Review of Existing Institutions Deemed to be Universities (2009) constituted by the Ministry of Human Resource Development (now - Ministry of Education) placed Jamia Hamard in Table I listing 38 Deemed Universities out of 129 justifying their continuation as "deemed universities". In the year 2019 it was included in the list of HEI for consideration of Institute of Eminence by the Empowered Expert Committee constituted by the Government. The ranking and accreditation is a result of sustained efforts of the leadership in the area of faculty and student quality. University offers contemporary and innovative programmes of studies from diploma to doctoral levels with an academic flexibility

## ABOUT

### CENTRE FOR TEACHING SUPPORT AND INNOVATIONS

Centre of Teaching support and Innovation (CTSI) is a centre in Jamia Hamdard created to provide and promote strategic academic leadership in learning, innovative teaching and curriculum development, rethinking pedagogy and innovation, ensuring that we are at the cutting edge of inspiring learning and teaching

CTSI has a mandate to facilitate learning communities that are inclusive and engage students as critical co-creators of their higher education experience. Developing a system for conscious, consistent, and catalytic strategy to improve the academic performance of the institution. Centre also envisages enhancement and integration of various activities of the institution and institutionalize good practices related to teaching-learning and to act as a dynamic system for quality changes in the University.

Centre supports the academic community of teachers and taught by fostering continuous professional development by way of arranging training programs/ workshops/hands on sessions to help in course design/IT integrated instructional technologies/ capacity building to address diverse students/training of new recruits.

## | ABOUT

# INNOVATION CONCLAVE-22

**Innovation Conclave (IC-2022)** will be organized in **November 2022** by the **Centre for Teaching Support and Innovations (CTSI) Jamia Hamdard**, to provide a **premier, multidisciplinary platform** envisaging bridging the gap between Academia & Industry.

With the motto of '**Learn to innovate**', this conclave offers a platform where students can indulge in idea generation and execution for prototyping/product creation.

To promote the pedagogy of critical thinking among students, CTSI, Jamia Hamdard will invite **internationally acclaimed experts from Academia and industry** who have been pioneers and have achieved success in their respective fields to share their experiences and journey.

**Share your innovative ideas with us  
and bring the change with your  
innovation**

**Turn ideas to realities with innovation**

Lighting the way to the future

# ELIGIBILITY AND CONDITIONS TO APPLY

- The Innovation and/or idea **should not be under process for any organization.**
- **Feasibility** of the Innovation.

## KEY POINTS

- Interdisciplinary entries allowed.
- Entries can be allowed for three different categories:
  - Idea Stage
  - Prototype Stage
  - Ready to Market

# SOME THEMATIC AREAS FOR SUBMISSION OF INNOVATIONS AND IDEAS

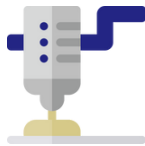

Climate Analysis

Biosensors

3D Printing

Cloud Computing

Virtual Reality

Smart Fabrics

Sustainable Resources

Smart Packaging, Pharmaceutical Packaging

Disposal of Expired Medicine

Healthcare and Medical diagnosis

Product Design

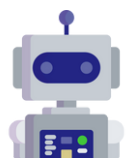

Artificial Intelligence & Machine Learning

Intelligent Agriculture and Horticulture

Robotics

Internet of Things with AI

Blockchain

Dispute Resolution

Scientific Writing

# SHORTLISTING CRITERIA

The following criteria will be used for the shortlisting of proposals:

- Innovation
- Patentability
- Scalability
- Sustainability
- Risks involved and Mitigation Plans
- Market Potential
- Financial Returns

## PRIZES FOR WINNERS

As a mark of recognition for contribution to research and innovation, the best Innovative Ideas will be rewarded.

The winners of the event will be awarded with:

- **Internships**
- **Referrals**
- **Collaboration with Industries**

Promising entries will also get a chance to work with experts to further their innovations as well as industry exposure.
